Assignments

Assignments

Week 01 - Introduction to HTML & CSS

Complete the HTML & CSS training at Code Academy (http://www.codecademy.com/tracks/web). For credit, upload a screenshot showing proof that you have completed the training.

Week 01 - Your Notes

Use Google drive to take notes for lessons 1 - 4 in Shay Howe's book. Enable sharing on your notes. Submit a link to your notes for credit.

Week 01 - In Practice

Complete every "in practice" section for lessons 1 - 4 in Shay Howe's book. Push your files to GitHub. For credit, submit links to the files in your repository AND submit links to your served files. Watch this video to see how to do this (to be posted soon)
